

2019
Pilot Knob Park
Membership Structure

*Individual Walking
Membership*

Welcome

Welcome to Pilot Knob Park and thank you for your interest in becoming a member.

Located just minutes from beautiful Pilot Mountain State Park, Pilot Knob Park was designed by renowned course architect Gene Hamm. One of the prettiest and well-manicured golf courses in the Piedmont region of North Carolina, Pilot Knob Park is a favorite with locals as well as numerous golf visitors traveling to the sand hills of Pinehurst or the North and South Carolina beaches.

Pilot Knob Park is a par 70, 6400-yard golf course featuring rolling 419 Bermuda fairways and splendid Diamond Zoysia greens. The lakes, streams, valleys and surrounding hills will make for an enjoyable day of golf for the novice as well as the accomplished golfer.

Pilot Knob Park boasts a majestic view of Pilot Mountain. Pilot Mountain was a major landmark for the early settlers and the local Indians as they traveled west to the new land.

Pilot Knob Park offers every amenity you'll need to enjoy the game and develop your skills to the ultimate level. In addition to a spectacular golf course, we offer a multi-targeted driving range, a pitching and chipping range and an expansive putting green.

As a member you'll enjoy unlimited golf for low monthly dues, member only weekend tee times, member only tournaments, fun social events, great prices on golf equipment and merchandise, member only range plans, club storage and locker rentals.

Pilot Knob Park is a semi-private facility that offers memberships and is open for public play during the week, as well as tournaments and group outings.

Club Overview

Pilot Knob Park is committed to two very important concepts. We strive to present a superbly conditioned Golf Course and make each Member or Guest feel at home when they come to play.

Individual Membership Benefits:

- Unrestricted tee times
- Discounts on all Club House Merchandise
- Member-only golf tournaments
- Reciprocal Program with other golf clubs
- Optional use of:
 - USGA handicap service
 - Locker rentals
 - Bag storage

Other Rates & Fees:

USGA Handicap	\$25.00 (annually)
Locker Rental	\$24.00 (annually)
Bag Storage	\$85.00 (annually)
Locker/Bag Combination	\$100.00(annually)
Pool Guest with a member	\$5.00 (per visit)

Pilot Knob Park is a semi-private golf course, which means we offer memberships as well as public play for a daily fee. By allowing daily fee play, we are able to provide the extensive array of member services and still keep membership fees very affordable.

Rules & Regulations

Club House Rules

The Club House and all facilities of the Club are for the use, entertainment, and enjoyment of the Members and their families. This should be a prime factor in considering any request for use of the Club House. Club House Rules are promulgated by and may, from time to time, by the House and Grounds Committee.

1. The Club Office is restricted to Club business only and is private.
2. The "19th Hole Grill" shall be open only during the hours posted by the Club Manager.
3. The Banquet Room may be rented by a Member for a private party under the following conditions:
 - a) A fee, designated by the Club Manager, must be paid in advance with a signed contract.
 - b) The rental fee does not include use of the Grounds, the Golf Course, or the Pool.
 - c) The attendance of Guests and the responsibilities of the Member renting the Banquet Room shall be in accordance with Article V of the By-Laws.
 - d) The Club Manager or someone designated by him must be present in the Club House during all private parties.
4. Decorations, which may, in any way, cause damage to the premises being decorated, are not allowed.
5. No one wearing a bathing suit or other swimwear shall be allowed in the Club House at any time.
6. Except for the Club functions or private parties, the doors of the Club House are to be locked and the lights extinguished at 8:00 P.M. Monday through Sunday, April 1 to October 31, and no later than 5:00 P.M. Monday through Sunday, November 1 to March 31. Hours may vary due to weather, scheduled tee times and day light savings.

Official Course Rules

1. All play shall be governed by the USGA Rules of Golf. Local rules may be established by the Tournament Committee, from time to time, to accommodate specific circumstances or conditions, and, when published shall take precedence over the USGA Rules of Golf. Players should check the Pro Shop Bulletin Board for temporary rules.
2. Appropriate attire is required at all times on Club property. Specifically, on the golf course and in the Pro Shop, men shall wear shirts with collars and women shall wear shirts, blouses or equivalent cover-up. Men shall wear shorts of adequate length, or trousers. Women shall wear shorts of adequate length, skirts, or trousers. Juniors under the age of 10 years are not required to wear a collared shirt. No one wearing a bathing suit shall be allowed on the golf course or in the Pro Shop. No one will be allowed on any green, including the practice green, barefooted. At the Pro Shops discretion, the new style sportswear with a crew or banded collar may be permitted. Tee shirts, tank tops or muscle shirts are not permitted.
3. No one under 18 years of age will be allowed to loiter in the Men's or Women's locker rooms.

4. Fivesomes may be allowed, Monday-Friday with prior approval, from the Pro Shop. No fivesomes on Weekends.
5. On weekends in all cases, a Member must play in each foursome unless the Manager has been otherwise directed by the Board of Directors.
6. "Mulligans" are not allowed. Only one (1) tee shot, may be taken from any tee without penalty.
7. Players must maintain their starting position on the course. The position of a group on the golf course is measured by the group in front of them not the group behind them. The Pro Shop may ask a group that is more than one hole out of position to skip a hole to get back in position or allow the group behind them to play through.
8. Players starting on any tee other than the first must have prior approval from the Pro Shop.
9. Players are expected to keep the golf course clean. Players are requested not to drop cigarette butts, especially filter cigarette butts, on greens or fringes. Tobacco chewers are requested not to spit on greens or tees.
10. No carts, pull or motor-driven, are allowed on the greens or fringes. Motor driven carts must be kept at least 50 feet from the greens and must remain on cart paths when traveling past yellow lines/posts or other markings which prohibit cart traffic.
11. Replace all divots on tees and fairways.
12. Repair your ball marker and one other ball marker when on greens and fringes.
13. Any player entering a bunker must rake the bunker upon leaving.
14. All players must register with the Pro Shop prior to beginning play.
15. Members may reserve Tee times 2 weeks in advance of playing date desired.

Power Lines: On No. 6 tee, if a tee shoe strikes a power line, must replay shot without penalty. Elsewhere, a ball striking a power line shall be deemed a rub of the green and played accordingly.

General: All guide wires, power poles, fences, bridges, tee signs, markers, ball washers, retaining walls, out-of-bounds stakes, and similar "man-made" objects, not above, are defined as obstructions.
